

1. My family and I listen to K-LOVE throughout the day. As a salesperson traveling Maricopa, Pinal and Pima Counties, I am able to receive the music, inspiration and valuable national information important to me. This is provided on the three (3) repeater stations operating in Arizona.
2. There are already a lot of alternative choices in Arizona and around Maricopa county for radio programming. I have found nothing that provides the same quality of content as I am frequently disappointed when traveling in areas without a K-LOVE signal.
3. K-LOVE provides a public interest service that is not available from any other source. It provides encouraging messages of hope. K-LOVE provides toll-free phone access to members of the public who are in need of support. Many times, these people have nowhere else to turn. This radio station has changed our lives for the better and continues to do the same for thousands each year, wherever it is heard.
